

## *National Conference of Law Enforcement Emerald Societies Inc*

### **2011 March and Memorial & Line Up**

The National Conference of Law Enforcement Emerald Societies Inc., (NCLEES) will sponsor the 17<sup>th</sup> Annual Memorial March and Service in Washington D.C. on Friday, May 14, 2011. This event is one of the major highlights of National Law Enforcement Officer Memorial Week and features a number of colorful groups marching in formation on Washington roadways to the National Law Enforcement Officer Memorial on E Street. The Memorial March is followed by an extremely moving Memorial Service at the National Law Enforcement Officer Memorial - especially those of Gaelic descent. The NCLEES cordially invites Emerald Society organizations, peace officers, law enforcement officers and public safety organizations to participate in these annual events. Non-Law Enforcement individuals and organizations will be allowed to participate as space permits, at the discretion of the NCLEES March Coordinators.

### National Honor Units For 2011

The NCLEES 2011 Host Pipe Band is NY/NJ Port Authority Police Pipes & Drums. The 2011 Police Honor Guard is also NY/NJ Police Honor Guard

### The 2011 Memorial March

All personnel who intend to march are asked to report (in appropriate uniform and ready to march) at 1630 hrs on Saturday May 14<sup>th</sup> at New Jersey Avenue NW and “F” Street NW (official staging area). Each Pipe Band group must have at least ten (10) participants to march as a unit (less will be place with a pipe band unit) The captain (or leader) of each marching unit must report directly to Mike Newton, the NCLEES Event Coordinator (EC) or Assistant Event Coordinator (AEC) for marching instructions (Order of March). The official NCLEES “Order of March”; the 1st group can be found below; all others are in-group 2. The EC and all AEC’s will have copies of the Order of March. When the leader of each marching unit checks in with the NCLEES coordinators, he or she will be issued an NCLEES 2011 Honor Ribbon to display with their Unit Colors and/or Guide-On. Only one honor ribbon will be issued to each marching unit. There is also a special honor ribbon for the host pipe band and the host honor guard each year. All participants are asked to cooperate with the starters so that the event might run as smoothly as possible. The EC reserves the right to assign smaller groups and individuals to larger marching units. The Memorial March will step off promptly at 1800 hours so don’t be late.

### Marching Music to NLEOM

The NCLEES Pipe Band Committee suggests that all pipe bands play appropriate Irish tunes while marching to the National Law Enforcement Officer Memorial (NLEOM). Each pipe band is asked to play a final short musical “set” as they approach and enter the National Law Enforcement Officer Memorial. After entering the site, Drum Majors and Pipe Majors and Honor Guards must follow the directions of NCLEES Senior Honor Guard Det. Gary McDonald and his assistants and move quickly into their designated place of honor. Once each band is “parked” at its designated spot, it should be brought to a “rest” position until all units are assembled and await further instructions.

### The 2011 Memorial Service at the NLEOM

The 17th annual NCLEES Memorial Service will begin promptly when all groups are at the memorial. All participants (bands and honor guards) must follow the directions of the Drum Major of the Day and NCLEES Honor Guard Commander Det. Jeff Wannamaker (Clarkstown PD). The massed bands will play tunes assigned by the NCLEES National Pipe Band Committee. As customary, the National Pipe Band of Honor will play a solo tunes at an appropriate point during the ceremony. After wreath placing ceremony all of the Pipe Majors will also gather to play “Amazing Grace”.

### Mass Pipe Band Tunes

1. Minstrel Boy/Wearing of the Green
2. Sean South – Kelly Boy
3. Amazing Grace
4. Balmoral

### Host Pipe Band Tunes

1. Ground Zero
2. Drummers Lost

### Dismissal and Massed Bands after the Memorial Service

Upon completion of the NCLEES Memorial Service the Honor Guard Commander & Drum Major of the Day will instruct all marching units on when and how to “Fall out”. Pipe Band can play while marching out

After Dismal NCLEES will be holding a Fellowship at the Irish Channel Located at 500 H St. NW Washington, DC 20001(the former Red Roof Inn)
